

2018-2019 ENROLLMENT TUITION RATES AND ANNUAL FEES

For students enrolled in any program class (i.e. MDCKIDS, Company, etc.) at Millennium Pittsburgh, the tuition rates below apply. We determine tuition rate by the length and number of classes any one student is enrolled in. For example, if a student is enrolled in two 30-minute classes, the tuition amount before the multiple class discount is \$90.00/mo. With the 5% discount for taking two classes, the tuition amount is \$85.50. All tuition rates are rounded to the nearest whole dollar amount, which means the student would pay \$86.00 per month.

There are nine (9) tuition payments total to cover 36 weeks of enrollment classes; monthly amounts account for holiday breaks. Enrollment classes run from September 4, 2018 to May 31, 2019 with breaks during the weeks of Thanksgiving, Christmas and the New Year. Depending on performance schedule, Company classes and tuition may be extended into June. Full schedule for Company students will be provided at the start of the season.

Tuition is due by the 1st of each month, September 2018 to May 2019. Dancers who register after September 1, 2018 will receive pro-rated tuition. Registration fee and any other applicable fees will not be pro-rated for late registration. Tuition is non-refundable and any class makeups must be made within 30 days of absence. MDC offers self-pay or auto-pay options, and tuition payments can be made via our online parent portal or in person at the studio. A full list of registration and payment policies is available online. Parents will be required to review and agree to these policies before enrolling their student.
