

Millennium Dance Complex PGH

## ENROLLMENT PROGRAM DRESS CODE REQUIREMENTS

---

### HIP HOP

Male and female students should wear comfortable, breathable clothing (leggings, joggers, tank top, t-shirt, etc.) and clean, dry sneakers that lace to provide support for the foot and ankle. Hair should be secured away from the face.

### CONTEMPORARY/JAZZ

Male and female students should wear comfortable dance attire that allows the instructor to see bodylines and make corrections. We suggest leotards, biker shorts, leggings, athletic shirts, tank tops, crop tops, t-shirts, etc. Oversized, baggy clothing should not be worn in these classes. Jazz shoes or dance paws are recommended. Hair should be secured away from the face.

### BALLET

Female students must wear a leotard, pink ballet tights, and pink ballet slippers. A ballet skirt is optional. **MDCKIDS** students can wear a leotard in any color or style. **Academy** students must wear a plain black leotard in a camisole or tank style (no designs, cutouts, or distracting necklines). The recommended leotard for Academy students is listed on the Academy Dress Code List, which you can [access here](#).

All students should style hair in a proper ballet bun. What's a proper ballet bun? [Watch this video!](#)

Male students should wear black ballet tights or black gym shorts with a plain white t-shirt. Black ballet slippers should be worn.
